

## DLA Adopt a Bench Program

### Friends and Neighbors

We have benches in the park that are worn and need to be replaced. Many of these benches are along the lakefront and in our parks. We have adopted a standard for our replacement benches. They are produced by Doty & Sons in Sycamore, IL, and are made of concrete. These benches can also be used as a memorial or family dedication by customizing the bench.

If you are interested in adopting a bench:

1. Please complete the form below and submit it to [gselep618@comcast.net](mailto:gselep618@comcast.net).
  - 1a. Discuss with Rob Mohr the preferred location for your bench. Keep in mind we want to replace the oldest benches first and we cannot replace the benches at the beach with this type of bench.
2. Once the Parks Committee approves any artwork and the agreed-upon location, we will send the form to Doty & Sons and have them send a quote directly to you.
3. Once you agree with price and timing with Doty & Sons, we will add you as a speaker request on the next monthly meeting agenda and formally approve your bench.
4. You will make payment for your bench directly to Doty & Sons.

Thank you for your interest in helping to beautify our parks!

Name:

Street Address:

City:

State:

Zip:

Daytime Phone:

Email:

Bench Location:

Sandblasting or Plaque (what size plaque):

Word/Graphic description:

### Approved Written Options:

- In Memory of...
- In Loving Memory of...
